

# United Kingdom Programmes

## Epping

The Patchwork of Peace is a UK project that has successfully brought people of Essex together enabling them to hand produce high quality bed quilts for children in Uganda. This project has now developed into a real local community project producing over 60 wonderful quilts. It has also empowered our community to reach out to another by taking unwanted fabric and material and turn it into bright and vibrant bedding quilts for the children who will be living in the Fountain of Peace Children's Foundation bungalows.

## Theydon Bois

In addition to our quilt project we have been able to partner with the mature ladies group from Theydon Bois Baptist Church. In similar fashion and with relentless dedication this group continue to produce the most colourful and exciting hand knitted clothes for the babies of Uganda.

For further information on how you can get involved please email [info@fountainofpeace.net](mailto:info@fountainofpeace.net)
